Title : Medical Instruction Using a Virtual Patient

ATTN : Office of Petitions

Commissioner for Patents,
Alexandria, VA 22313-1450

PETITION UNDER 37 CFR 1.84(b)(2)

Applicant herewith petitions the Commissioner to grant the use of color photographs for the aforementioned non-provisional patent application. It is believed that the use of color photographs is the only practical medium by which to disclose the subject matter sought to be patented. The color photographs best illustrate the translucent anatomy of the virtual patient.

Applicant herewith submits three (3) sets of color photographs. Accordingly, applicant also submits a black and white photocopy that accurately depicts, to the extent possible, the subject matter shown in the color drawings and the fee as set forth in § 1.17(h) in the amount of \$130.00.

The wording as required under 37 CFR §1.84 is present in the specification.

In light of the foregoing, applicant respectfully requests entry of the color drawings.

Respectfully submitted,

For Applicant
